LEARN R NOW!

FALL 2017

MATH 130 #5961

Introduction to Reproducible Data Analysis using R and Markdown

(Listed as Introduction to R)

- Will you be taking Math 315/615 (Statistics)?
- Do you want to have better control over your own data analysis?
- Have you always wanted to learn R but never got around to it?
- Do you want to learn how to visualize your data?
- Are you interested in Data Science, Data Analytics, Business Analytics, Forecasting, Bioinformatics, or Health Informatics?
- Do you want to learn how to make your research reproducible?

If you answered "Yes" or even "Maybe" to ANY of these items then you should enroll in this Workshop!

Credit / No-Credit grading

Faculty / Staff welcome to audit!

4 weeks only: 8/22 – 9/14

2-3:50 pm, MLIB 4442
